Chicago Grain arket

Chicago, Sept. 9-Wheat sold for new highs for September and December on

May advancing six cents ove the opening which was the low mark of the day.

The news, with the exception of the government report, was bullish the drought in Argentina being the leading factor. According to Buenos Airos cables the drought continues and unless rains come shortly fears of heavy damage are expressed.

September wheat closed 4 1-4 over the low of the day, September closed 4 1-4 over the opening and 5 1-2 over the low of the day. September closed 4 1-4 to 4 3-4 to ing was mainly of a local character, but there was moe investment purchases. Oats showed strength in the late ses-sion and with broader trade advanced to a new high or the sion and with broader trade advanced to a new high on the present movement being 5-8 to 7-8 up at the finish. Provisions were easier on scattered commission house selling which offset to a great extent the advance of 10 to 34½ 25 cents in hogs and buying of October 78% lard by packers.

vs. TAFTVILLE A. A. SEE THE NEW STARS TODAY, 3:30 P. M.

Fall Hats of Unexampled **Smartness**

Our Hats are the handiwork of a great factory, where Quality has been a jealously guarded tradition since 1823. Our Styles are dated 1921, but they possess many of the advance touches of 1922. These are truly the Hats of Unexampled Smartness, though the prices don't know it.
